

The Power of Humility

R.T. Kendall

MuddyPearl

'Outside of the Bible, this book has had more influence on me than any other book that I can remember.'

Larry Kirk

Praise for work done well. Being included by interesting people. It feels good, right, deserved. What could be wrong with that? Yet when we have to admit to mistakes or accept rejection, it all becomes very difficult. We feel deep hurt, and we stay angry.

The root of all this? Pride.

Which we will never admit, because of ... our pride!

In his gentle but direct manner, RT Kendall explains that a level of dignity and self-respect is good. To look presentable and to do things well gives glory to God. But somehow, finding the right balance between this and pride eludes us.

Jesus was completely humble and gave us the perfect example of a powerful life lived without conceit, smugness or arrogance. Only as we keep our eyes on him can we find that elusive balance.

Profoundly stimulating, challenging and provocative. Stamped throughout with the heartfelt honesty, spiritual insight and biblical knowledge that have long been the valued trademarks of R. T. Kendall.

From the Foreword by Rev Canon J. John

Deeply impacted me as I realised pride is the deadly sin I regularly commit without even knowing it! RT writes with incredible honesty about his personal struggle with pride. If you are serious about allowing God to transform you to be more like Jesus, this book is for you.

Lyndon Bowring

Author

R.T. Kendall was minister of Westminster Chapel in London for 25 years and remains a popular national and international speaker and writer. He is the author of numerous bestselling books including *Total Forgiveness*, *The Anointing*, and *Ambition, Glory and Giving Your All*.

Readership

General Christian readership at all stages of life. Particularly helpful for those starting out in leadership in the church, those attending discipleship and internship programmes.

Key selling points
