

The Gift of Blessing

Kate Patterson

MuddyPearl

'Choose to believe the truth that God will never withhold his love from you.'

Blessing is God's idea – it's the first thing he did when he made Adam and Eve, and it's the last thing Jesus did before he ascended into heaven. And yet many of us picture God as a grumpy old man who measures out blessing in measly thimblefuls.

Following on from her first book exploring the Aaronic blessing from the book of Numbers, this encouraging devotional from Kate Patterson offers the opportunity to see God afresh through that shining blessing - a God who loves us and whose heart is to bless his people.

Beautifully designed and illustrated by David McNeill, and with scripture, quotations, and questions to reflect on, *The Gift of Blessing* is an ideal gift for those who long to be blessed that they might be a blessing to others.
