

Heart Fire

Adventuring into a Life of Prayer

Johannes Hartl

MuddyPearl

'Hartl captures a heart of love for Jesus ... in this beautiful book about the pursuit of God through prayer. We can all learn from his devotion and passion for the One who is worthy of it all.'

Heidi Baker, Co-Founder and CEO of Iris Global

What is prayer? How does it work? And does it even help at all? Where do we start and where will it lead? These are questions that Johannes Hartl has dedicated his life to exploring. Questions that have found their answers through encounter, experience and often through travel – a journey of discovery that has taken Hartl into the very heart of prayer.

Weaving together stories of individuals, movements and moments he has encountered across the world, Hartl invites the reader to join him on this radical adventure. Exploring different approaches to prayer, such as contemplative, intercessory, creative, powerful and revelatory prayer, Hartl encourages readers to rediscover the true heart of prayer – a God who hears us and wants to speak to us.

For those who want to experience the power of prayer or who are struggling to pray, this book is full of thoughtful insights and wisdom, combined with reflective applications which will inspire and challenge readers to catch the fire for a life of prayer themselves.

'This book tells us, better than many treatises on Christology, that Jesus Christ is alive.'

P. Raniero Cantalamessa, O.F.M. Cap., Preacher to the Papal Household
