

# Living for Eternity

## Knowing the God of Forever

Kate Patterson

MuddyPearl

"In the trials and troubles of life there is no greater remedy than to look up to our eternal inheritance in Christ... Read this book and rejoice!" **J. John , Minister, Speaker & Author**

The call to live for eternity is more important than ever for us all. So much that seemed reliable has been shaken as our world faces economic instability and seismic cultural shifts. Scandals have undermined faith in politics, sport, entertainment and the church. Fear of catastrophic climate change and of another pandemic cast a shadow over the future. The fragility of life is on display and we desperately need to know our eternal foundations.

What could be more important than knowing the Eternal God? In *Living for Eternity*, Kate Patterson explores what it means to be 'eternally minded' – living with a long view, keeping our eyes set on the eternal life we were made for – and how that reality has the power to transform our lives now.

A profound invitation to get to know the God of forever, Patterson opens the Scriptures and points to the eternal One who is revealed in his eternal word. Showing how having our eyes on eternity means having our eyes on the one whose eyes are on us, she tells of a God who is eternally faithful and always mindful of us.

Unveiling the freedom that being eternally minded brings, *Living for Eternity* encourages us to live fearlessly, even in life's most difficult and grief-filled moments. Through it all, God is making us more and more Christ-like as we journey with him to our eternal destination.

### Author

**Kate Patterson** is a gifted speaker and writer, and Director of Gift of Blessing Trust, which makes deep biblical truths accessible to all. She works part-time as a Formation Tutor at St. Mellitus Theological College where she counts it a great privilege to help form the next generation of Christian leaders. Kate was in church leadership for 20 years and has experience as a college chaplain and as a primary school chaplain.

### Key Selling points

- A deep yet accessible book that encourages readers to live for eternity in the present
- Demystifies eternity and points to knowing God as the path to eternal life
- Explores God's character and nature to help us get to know him better
- Gives comfort to those who are grieving
- Forward from Rt Revd Ric Thorpe, Bishop of Islington, with commendations from Nicky Gumbel, Mark Batterson, Heidi Baker and J. John

### Readership

- General Christian Market
- Those who long for a deeper relationship with God
- Christians who want to build a sustainable faith throughout the journey of life
- Those going through grief/are experiencing loss
